Dear Friends of St. Peter:

Carol and I, with mixed feelings, have decided to relocate to Boones Mill, Virginia in July 2021. We have made this decision with excitement about our future retirement, as well as a sincere sadness in leaving our friends here in Jupiter and a St. Peter. We have come to know so many of you in a personal and heartfelt way. We will take that memory with us.

Many of you are aware that 15 years ago we moved to Jupiter from a rural area in New Jersey. Though we have enjoyed the warmth and sunshine of Florida, we have also missed the mountains and the vast land area that we left behind. Boone's Mill, though sort of comical in name, has all the visual beauty of the area we came from.

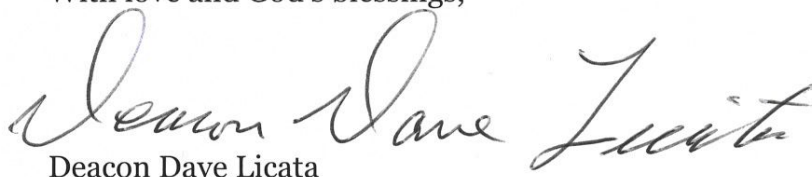

My personal relationship with the parish in supporting me through the seminary years, and my eventual ordination as a permanent deacon, is what I will always keep close to me. The support from all of you was just overwhelming. I hope I was in some way, over the past years ministering as a deacon in the parish, able to give back a small portion of what you gave me.

I will always appreciate your kindness and close friendship which matured and prospered during this special time in my life.

Carol, as some of you may know, has family in this area of Virginia. She will now have a chance to spend time with her sisters and do some long needed catching up. For those of you who have been incredibly supportive of the Food for Families Ministry, Carol shouts out a huge "thank you!" Carol feels truly blessed to have been in this ministry and have such faithful and committed members in this amazing ministry. She is confident that they will continue to show God's love to those in need. She will surely miss everyone but is looking forward to seeing where God is leading us.

We will continue to pray for the parish and each one of you.

With love and God's blessings,
